

I know how hard you work to keep your business thriving in today's competitive market. As a fellow local business owner, I understand the challenges of advertising effectively without breaking the bank.

That's why I'm excited to introduce a **FREE** opportunity that can:

1. Boost local businesses like yours.
2. Offer incredible value to consumers.
3. Support causes in our community.

I've created a **digital coupon book** that eliminates the high costs of printing and publishing, making it easy for businesses to feature their offers—at no cost. With so many local businesses closing or struggling, this initiative can be a game-changer.

How It Works:

- Share your ideas (we recommend 3 offers).
- We'll set you up in our digital platform.
- Offers will go live for consumers to use.
- Update or change your offers anytime—and you can cancel anytime, no questions asked.

Why Participate?

It's **FREE**, simple, and a win-win for everyone:

- Businesses get a boost.
- Consumers enjoy great savings.
- Local causes receive vital support.

Looking forward to partnering with you!

TASTE THIS!

Taste This is a digital platform designed to drive customers straight to your business.

Through our digital coupon book and daily email, we connect locals with exclusive offers from trusted merchants like you, helping boost visibility and foot traffic. Partnering with us gives you a unique opportunity to attract new customers who are actively looking to discover and support local businesses, while also building loyalty through targeted, high-value promotions.

Our easy-to-use platform ensures your offers reach the right audience at the right time—so you can focus on what you do best while we bring in the crowds.

We understand the pressures businesses are facing post-pandemic. With nearly 20% of small businesses closing their doors in recent years, we recognize the challenges of rising costs, labor shortages, and navigating a market that's still in recovery.

We also know you're constantly approached by agencies promising expensive advertising that's difficult to track and doesn't always deliver results.

That's why Taste This! is different.

Our digital coupon book and daily email offer a powerful, trackable way to gain new and repeat customers. Best of all, participation is absolutely FREE, delivering unbeatable ROI while driving local support straight to your business.
